DERBY DASH BASH 2024

20th Annual Fundraiser To Benefit
Rocking Horse Ranch
Therapeutic Riding Program

WHAT IS THE DERBY DASH BASH?

The Derby Dash Bash is an annual fund raising event held on the first Saturday in May concurrent with the running of the Kentucky Derby. The money raised helps RHR support our operating expenses such as care of our horses, maintenance of our facility, utilities and employee expenses. Those attending the Derby Dash Bash will enjoy appetizers, drinks, dinner, dessert, live music, a Kentucky Derby race raffle, ladies Derby hat contest, silent and live auctions and viewing of the Kentucky Derby. We are seeking both individual and corporate sponsors, as well as community support through the sale of tickets.

WHAT IS THERAPEUTIC RIDING?

Therapeutic horseback riding is a therapeutic intervention used by certified therapeutic riding instructors and allied health professionals for individuals who are physically, cognitively, or emotionally challenged. The three dimensional movement of the horse stimulates the rider to improve mobility, posture, balance, coordination, and responsibility. By successfully participating in riding activities that challenge them, riders gain self-confidence and learn to trust their helpers and their horses. The ultimate goal is to improve each rider's functional abilities and to help them become more independent, productive and active members of the community. The Professional Association of Therapeutic Horsemanship International (PATHIntl, Formerly NARHA) was formed in 1969 to promote the practice of therapeutic riding and equine related activities. PATHIntl is a membership organization that accredits operating centers, certifies riding instructors and therapists, and standardizes safety and operating procedures. There are over 800 member centers in the United States and internationally serving over 42,000 students annually.

WHAT IS ROCKING HORSE RANCH THERAPEUTIC RIDING PROGRAM, INC?

Rocking Horse Ranch was founded in 1991 to provide equine assisted activities and equine assisted therapy to children and adults with disabilities in eastern North Carolina. It is the oldest active program in this part of the state, the only one in Pitt County, and one of only 2 PATHIntl programs east of I-95. In the fall of 2003, RHR moved to Blue Banks Farm, which it now operates as a full time, dedicated therapeutic riding facility. Our staff of credentialed therapeutic riding instructors and therapists conducts all of our classes, which are tailored to meet the specific needs of each rider. Lessons are structured to provide each student the assistance he/she needs to be successful while stressing the achievement of maximum independence under safe and controlled conditions. Many able-bodied members of the community are integrated into the program as volunteers assisting the riders during lessons. Riders come from several cities in addition to Greenville, including Wilson, Washington, Kinston, Rocky Mount, Tarboro, and New Bern. Riders' disabilities include cerebral palsy, autism, developmental delay, Down Syndrome, spina bifida, ADHD, visual and hearing impairments, multiple sclerosis, Parkinson's disease, stroke and head/spinal cord injury. Over 70% of our operating budget comes from donations, grants, and fund raising. Thank you for giving your support to this unique program.
